Thanks, Dave.

To all the others, and specially Corrie -- I think this is a great idea, and would like to see a similar survey (with suitable changes to fit DNV) on a web page such as FONVCA's, and the sooner the better. Perhaps we could run it, say, every three months for the next year to see if a trend develops. I'd be willing to help set it up (for content, that is).

The biggest problem would be getting the word out. Who knows, perhaps DNV would allow us to put a notice about in the District News!

The Ambleside and Dundarave Ratepayers' Association (ADRA) of West Vancouver have set launched an annual survey of major issues and Council scorecard on the web. <http://www.vote.westvan.org/>  
Possibly this initiative could also be provided on FONVCA's web site for the District of NV. Dave Sadler
