Dear Mr. Kost:

Re: DISTRICT OFFICIAL COMMUNITY PLAN

Over the past few years the district has been reviewing its Official Community Plan (OCP) and both FONVCA and its constituent community associations played a part in this review.

On March 31st, a shirtsleeve session with Council on the revised OCP concluded that further work on the OCP be delayed until much later this year or early next year, The reason for this is that the Seymour Local Plan is currently being prepared by residents of Seymour. To proceed with public meetings on the OCP in advance of the completion of the Seymour Local Plan would cause both confusion and a pre-emption of the Seymour Local Plan process.

Once the OCP review is begun it is to be expected that FONVCA will play an important consultative role.

Yours truly,

Jim Masterton
Assistant Manager,
Community Planning
