Dear Mr. Sadler:

Yes, I agree. We won't be able to change this particular minute, since it's already been adopted by Council, but in future this information will be included, as well as a listing of the recipient of each award.

Yours truly,

Agnes Hilsen

Subject: Council Minutes

Dear Ms. Hilsen:

On Sept.4/01 Council approved Child Care Grants totalling \$38,402 which were awarded to 10 day-care centres. I believe that the [agenda minutes](#) should have reflected these two facts.

I appreciate that this information is readily in a report. However I believe the minutes should be able to 'stand alone' in conveying to the community the pertinent details of any Council decision & especially those concerned with the expenditure of taxpayer's money.

Yours truly, Dave Sadler
