Dear Mayor & Council:

During tonight's debate on **Councillor Crist's** motion to strike a **Special Task Force** to address the threat of terrorism on the North Shore, the **RCMP** revealed that such a committee was already in existence to deal with this and other types of emergencies.

Why was Council unaware of this committee, their mandate, recommendations etc? As pointed out by **Councillor Dunsford**, we could have saved a lot of time & effort if it's existence had been previously determined. Whether its a committee organized by the RCMP, Fire, Emergency Rescue or similar type body, I feel it is imperative that Council be made fully aware of its activities.

Yours truly, Dave Sadler
