Dear Richard Bouton:

On May 14, 2001 Council passed a motion THAT staff be requested to report on how those items approved in the revised Waterfront Task Force Plan and the issue of the Grouse Grind and Baden-Powell Trails can be addressed and incorporated into the GVRD Greenway Plan, at the appropriate time.

Questions:

1. Has this report been completed?
2. If yes, can I receive a copy?
3. If no, when will this report be completed?

On another matter, I understand \$30,000 was allocated in the 2001 Budget for the waterfront.

4. How will this money be spent?
5. When will the project(s) commence?

Thanking you in anticipation, Dave Sadler
