Thank you for the copy of your correspondence to Min. Nebbeling re the proposed Community Charter. I found your comparison chart to be interesting.

As you are aware, there still remains time for discussion and comment on the proposed Charter for both the public and elected officials. The UBCM office staff have confirmed that there will be several workshops at the UBCM Annual Convention in September in addition to the ones held previously.

I have also made contact with Min. Nebbeling's office about the possibility of a public meeting on the North Shore to allow for public questions and input on the proposals. I have been advised today to expect to hear back when the Minister returns from holiday at the end of August.

Mayor Don Bell
