Mr. Howie:

Some time ago I requested an accurate breakdown of the TOTAL cost to the District taxpayers to accommodate the extensive redevelopment of the Lynn Valley Core including the total infrastructure cost and the total income received from this extensive redevelopment in the form of Development Cost Charges.

This request was made to you several months ago but as of this moment I have not received any response from you other than an e-mail indicating that YOU had turned my request over to Mr. Richard Zerr. However, Mr. Zerr has failed to acknowledge this request.

This is an extremely serious matter especially since the figures provided by your staff to Council in a previous report were incomplete and failed to provide an accurate breakdown.

As I indicated to you previously my request for this information was made to YOU and I would appreciate a response from you directly. Please advise.

Thank you,

Ernie Crist
