The president of BC Hydro:

Dear Sir:

I have received an anonymous letter (enclosed) from what appears to be an employee ( executive? ) of BC Hydro regarding the placing of posters on telephone polls.

The person who has written the letter is to use his own words "pissed off" because as he claims not only do private companies put poster on telephone polls but during election time also politicians.

On a personal note I wish to state that I have never done so but regardless, if we disallow such material on polls by enacting an appropriate bylaw then it obviously would apply to everyone. This is the purpose of my motion before Council.

You may be in a position to pass this information on to the person who has written the letter to me. I do not request to find out who that person is. I simply want to convey to him/her and indeed to all employees of your company that I too abhor such practices and that I am trying to do something about it.

Thank you, Yours truly

Ernie Crist,

Councillor, District of North Vancouver
