Mr. Zerr:

From the e-mail sent to Mayor and Council by Mr. Christopher Catchpole of 3280 Beverly Crescent dated Sunday June 2, it would appear that notwithstanding the pros and cons of the matter of traffic lights on Highland Boulevard as requested by (PAC) no attempt has been made by staff to bring the two sides together.

In the past whenever we have had a similar situation we arranged meetings between the parties in question to try to reach an agreement. I would appreciate hearing what you will do to resolve this matter.

If you have not already done so, I would also appreciate if you could get in touch with Mr. Catchpole to keep him informed.

Thank you,

Ernie Crist
