Mayor Bell & Members of Council:

I am writing on behalf of the Federation of NV Community Associations to request a deferral of Agenda Item #6, Rules Of Procedure Bylaw, in order to allow FONVCA time to consider and comment on the proposed changes.

The new Bylaw was given first reading by Council just over two weeks ago. The Mayor's January 25th report stated that "*If Council agrees with my recommendations, staff would proceed to draft the formal bylaw ... [which] would provide time for review by members of the public and referral to Community Associations and FONVCA for their consideration. Comments from the public or others could be received and considered before adoption of the bylaw amendments.*"

The difficulty for FONVCA is that it meets once a month (on the third Thursday) and has therefore not had a fair opportunity to have a meeting and place this item on the agenda. In light of the fact that changes to the procedure bylaw were announced as pending last September, FONVCA respectfully requests a deferral of the item for at least one more week so as to allow for dissemination and discussion of the proposed changes at our meeting on February 21st.

Sincerely,
Brian Platts
