> *Subject:     Notice of Motion*
> 
> *Notice of Motion:*
> 
> *That Council request  the Chair of the Recreation Commission to provide*
> *Council with a detailed  accounting and the total cost of the  recent*
> *repair of the  roof of the Ron Andrew Recreation Facility.*
> 
> *Rationale:*
> 
> *The roof of the Ron Andrews Recreation Facility has been leaking for*
> *years. The clients of the Facility know this since  every time it  rained*
> *there were buckets on the floor to collect the water dripping from the*
> *ceiling.*
> 
> *Last October the roof was repaired except that, after the repairs were*
> *completed  the roof leaked more than before it was repaired. If, before*
> *the repair there were 3 to 4 buckets on the floor to collect the water*
> *dripping from the ceiling, after the repair there were 7 to 9 buckets on*
> *the floor to collect the water dripping from the ceiling.*
> 
> *At a recent budget meeting Councillor Crist asked the Director of*
> *Recreation what the cost of the repair of the roof was only to be told*
> *that he, the Director, did not know, but that he believed the cost to be*
> *between $ 60, 000 and $ 70, 000. However, the Director stated that he*
> *would get back to Councillor Crist who had asked the question.*
> 
> *As of this moment Director Young has not provided this information.*
> *According to a reliable source, the  cost of the repair was considerably*
> *higher than the amount indicated by the Director of Recreation at the*
> *District Budget meeting.  Since a member of Council has the right to such*
> *information, a  formal request should be made by Council to the Chair of*
> *the Commission to receive this information.*
