Dear Stephen Fleming:

The Manager of Planning Mr. Irwin Torry claims that Council has no plans to seek the approval of electors for the new figure of the Lynn Valley library because **'it was understood in 1996 that the library would cost more than \$6 million.'**

I have examined the 1996 Staff reports as well as the referendum literature extensively and can find no indication whatsoever that the library was going to cost more than \$6 million.

Please provide the documentation which supports Mr. Torry's statement.

Yours truly, Dave Sadler
