A Message from Ernie Crist;

Mayor Bell's comment at the end of last Tuesday night's Council meeting was somewhat curious but, considering his ongoing concern for my well being, not exactly surprising. As the last item on the agenda came up, I got up from my seat and told him that I was in some pain from a pulled muscle and wanted to leave before the meeting was out. It was then that the Mayor asked me to stay. I did, thinking, that he thought my vote would be of consequence.

I now realize that the reason the Mayor asked me to stay was not necessarily for the vote however, but in all likelihood to make sure that the TV audience would know that "Councillor Crist is leaving for medical reasons".

There is no need to worry, however, my health is just fine.

Have a nice day,

Yours truthfully,

Ernie Crist
