Dear Mayor & Council: March 11, 2002

Agenda Item 3: Development Permit for Save-On Foods 1250 Marine Drive

I am against this development permit as I don't believe adequate parking can be provided. Instead of increasing the required number of parking stalls, the number will be decreased. Already there is a disparity compared to the number of stalls provided at Save-On Foods at Park & Tilford.

Pemberton Plaza is already too congested. I see no justification in adding another 5,000 square feet, the majority of which is to be used for a new retail store.

Yours truly, Dave Sadler
