Birds of a feather, flock together.

I regard Councillor MacKay-Dunn's announcement to run for mayor with the same lack of enthusiasm as I have for Mayor Don Bell. Both were only too happy to throw their names in the hat for the Liberal nomination of WestVan - Capilano prior to the last Provincial election. If either had been successful, they would have been quite happy to walk away from their 3-year commitment to NorthVan District Council. District taxpayers would have been left holding the bag for a \$70,000 municipal by-election.
