Dear Mr. Coupland:

Subject: Your letter re Art Gallery.

There are of course several places where such exhibition are taking place quite regularly albeit on a small scale. As for your idea of a proper Art Gallery, I certainly concur with you that this would be a big plus for the North Shore.

There are many people in the North Shore Arts Community who not only agree with you but who are active in attempting to turn dreams such as yours into reality. They are mainly members of the existing North Shore Arts Commission and the North Shore Arts Council. You might wish to get in touch with them and with their help pursue your great dream further. Every worthwhile venture was the result, first of a dream and then hard work.

Sincerely Yours,

Ernie Crist,

cc. North Shore Arts Commission,
North Shore Arts Council
