Dear Agnes Hilsen:

I am disappointed with the overall lack of respect that the District has exhibited towards the Local Government Act be it in-camera discussions, manipulation of Northland Golf Course profits to operations instead of loan repayment to the Heritage Fund etc.

Previously I submitted many complaints regarding the Value Analysis Task Force & it's failure to abide by the Act. Yet the District failed to bring the VATF into compliance. Despite submitting **formal complaints** regarding this matter to the Mayor & Mr. Howie, I received not one reply from either, let alone any action to investigate. This is totally unacceptable.

I wish to renew my complaint regarding the Value Analysis Task Force which you have on record. I request that it be addressed according to District complaint resolution policy which was outlined in a recent issue of the District Dialogue.

Yours truly, Dave Sadler
