Dear Outlook Editor:

I feel the Burrard & Squamish Bands have exercised a high degree of responsibility and good taste in not allowing billboards on their reserves here on the North Shore. Personally, I cringe whenever I drive into Victoria & witness what others have done for a quick cash grab.

As such I must voice my disapproval to install 35 billboards around the District of North Vancouver. I regard this as an exercise in bad taste & don't believe residents will allow our 'super natural' North Shore to be spoiled by Councillor Denault & his supporters on District Council.

Yours truly, Dave Sadler
