Hello John:

The real issue is that neither District Mayor Don Bell nor City Mayor Sharp have provided any kind of leadership either on their Councils nor at the GVRD or Translink level - neither has the public or the local press demanded strong action. Indeed Don Bell has done everything to play along with the GVRD and Translink at the expense of the North Shore. He who does not fight will not get. God knows I have tried.

Ernie

Hello Dist Council /Fonvca, Another situation in respect of Translink.

Pat Jacobsen not able to have the courtesy to acknowledge an e-mail.

E-mail repeated to her that I believed info had still not reached her that as N.Van City wanted out of the 3rd Street Bus depot, but not to lose services over to Burnaby an opportunity to chase the I.C.B.C. to move their Claim Centre back to the old Winter Club location, which could allow an extended bus depot adjacent at the Lloyd St one.

Opportunity to then obtain resettlement compensation from the City.

As I have mentioned before, I recommend you do not consider the land south adjacent to the Indoor Tennis. Sincerely, John Harvey
