Ms Hilsen:

As I informed you this morning, I raised the matter of entering the Clerk's department without restrictions with the Mayor two months ago. Since the Mayor did not respond to my request for further clarification, I consider this matter closed. Following your comments this morning, I must assume that the Mayor failed to inform you of this.

You may wish to clarify this matter. Notwithstanding, I will not accept any further infringement of my right to enter the Clerk's department without being provoked and embarrassed as was the case today. In the event there is any action by either staff or Council contrary to this understanding I request a written opinion as to my legal rights as an elected representative for protection and to carry out my obligation to the public without being harassed.

Thank you,

Ernie Crist
