> That Staff be requested to provide to Council semi annual reports and or statistics indicating the total amount of expenses paid by the District for legal fees for any previous 6 month period except that the next report also indicate the annual expenses paid by the District for legal fees commencing Jan 1, 1999.

>

> Rationale:

>

> Prior to the Mayor Dykeman - Bell era, Council received annual reports indicating the amount of annual legal fees paid by the District. This policy was changed without official approval of Council. When Councillor Crist raised this issue in Council, the request was ignored. Attempts by Councillor Crist to address this issue via a Council motion failed for lack of a seconder.

> Notwithstanding, it behooves Council to receive such important information
