Dear Mr. Ballantyne:

I have received a copy of your letter addressed to Mr. Boulton re noise at night in Kirkstone Park. With respect to Mr. Boulton I do not think he will be able to assist you. Matters like this are not within his competence.

The problem you are describing occurs each and every year with inevitable regularity during the nice weather months. The solution is for the RCMP to regularly patrol the area and take the young offenders to the police station, phone the parents and ask them to come and pick up their children at any and all hours of the night as the case may be.

Juveniles are not supposed to frequent any District Park after 10 pm. This is what has to be done until such time where the boys and girls and their parents get the message that it is not worth making noise or any of the other things they might be doing in such places at the expense of the peace and quiet neighborhood are entitled to .

I will send a copy of this letter to Mayor and Council and also to Superintendent Tomlinson for his information and further action. I also suggest that you appear before Council on a Monday night between 7 and 7.30 pm to inform Council of your concerns directly. You will be given 2 minutes to make your case.

Yours truly,

Ernie Crist
