> That Council invite Mr. Lyle Craver residing at 4797 Hoskins Road in the District of North Vancouver to a Council meeting to officially recognize his achievement of being awarded the "International Arbiter" title by the world chess governing body "Federation Internationale des Echecs" at their August 15 - 18 meeting in Abuja Nigeria.

>

> Rationale;

>

> The title "International Arbiter" is a highly prestigious internationally recognized award and has been awarded to Mr. Lyle Craver a District resident for his work in organizing and directing numerous chess events including the 2002 Canadian Championship in Richmond, BC. The title "International Arbiter" is indeed the highest award given to chess organizers by the Federation Internationale Echecs.

>

> It has long been a District policy to recognize outstanding achievements of District residents for both individual and team endeavors in various fields including sports and cultural which have brought honor to the municipality. This policy should also be extended to intellectual endeavors such as Chess. Such achievements are a source of inspiration especially our youth - as such they should be encouraged and recognized in public.
