>

> Rationale

>

> Extensive Forest Fires in the interior of BC have resulted in a near war like situation and suffering. British Columbians from all walks of life, numerous private agencies as well as government institutions are assisting the victims.

>

> The District Fire department has offered to send both men and equipment to the scene. Members of the North Vancouver Detachment of the RCMP are already on the scene. Mrs Trudy Duller, a resident of the District of North Vancouver with the assistance of the Austrian Government has organized a cultural event to take place at the Centennial Theater on Sept 6-2003. The NET proceeds will go to benefit the Interior Forest Fire Fund administered by the Red Cross.

>

> The Austrian cultural event takes place on Sept 6 which is also Patron Saint Day of Fire Fighters and is celebrated as such throughout the western world. The "St. Florian Choir Boys of Austria" have a rich and long history going back to the year 1071. The St. Florian Choir Boys have enchanted millions with their rich unique charm and exceptional beautiful singing. They have given many concerts around the world.

>

> The choir carries on the rich traditions of Austria's musical life, tracing its roots to such figures as Mozart, Haydn, Schubert and Bruckner. The program will include works by Vierdank, Mendelsson-Bartholdi, Schubert and Strauss. It will also include a comic opera in period costumes " The Village Barber" the boys will be available for autographs after the performance. The performance at the Centennial Theater will be of cultural benefit to the residents of North Vancouver District and since it is a non profit event can be financially supported by the municipality.
