Dear Ms. Horbay:

I too was as stunned to receive correspondence from a staff member re this matter suggesting that the Wharf should be turned over to private owners in the vicinity.

It was especially surprising since only a while ago we were asked to spend a sizable amount of taxpayers money to repair this important public facility. It came also as a surprise since this facility has been in existence since 1880 or thereabouts I am told.

I will request that this matter be put on a public agenda item for debate at which time you may wish to address Council directly.

Yours truly,

Ernie Crist.
