Dear Mr. Ridge,

On behalf of the *Federation of North Vancouver Community Associations* I would like to invite you to attend our next meeting on Thursday, January 15th., 7:00 p.m. at the District Hall.

FONVCA is an umbrella organization that acts as a forum for the representatives of community associations to express common concerns for the purpose of strengthening their organizations through the sharing of information and experience.

The week of the meeting we will send out the full agenda by e-mail. In the meantime we certainly encourage you to visit the FONVCA web site at www.fonvca.org In closing, we look forward to meeting with you in January. Merry Christmas and best wishes for the New Year.

Sincerely,

Brian Platts
