Councillor McKeon Holmes:

During last night's Council debate on housing you indicated that Mrs. Mary Segal had expressed to you that a particular statement in my motion was not factual. This is a rather curious comment since all the data and rationale presented in my motion was based on statements made by various interested persons, including Mrs. Segal as well as you, during the last election. Would you please be so kind as to indicate what portion of my motion was incorrect.

Thank you,

Ernie Crist
