> Dr. Corrie Kost, a respected and erudite community activist in a letter to Council questioned the legality of the Notice of Counter Petition Opportunity on the Partnering Agreement with Canlan Ice Sports Corp as advertised on page 11 of Friday June 6/2003 in the North Shore News. He claims it is deficient and fails to meet the requirements of the Local Government Act.

>

> He further claims that the inefficiencies, which he outlined in his accompanying letter, unless remedied by appropriate re-notification, could render the Agreement ultra vires and thus ipso facto void.

>

>

> It behooves staff to clarify the matter to avoid legal complications at the expense of the District taxpayers which has been all to often the case already.
