Subject: Bears in Grouse "Sanctuary"

Dear Mr. Crist,

I refer to the Feb. 26 item on this topic in the North Shore News.

You mentioned that such use of the property may not be permitted under the zoning by-law. I noticed that you were quoted on this as far back as the Sep. 21, 2001 issue of the NSNews. Do you have an opinion from the Planner on this?

What a perfect plan to end this tragedy! Please persist with your agenda to shut them down. We do not need a public debate on this issue.

If I violate a municipal zoning by-law my operation will be shut down by council - there would be no public debate.

See our letter of August 2, 2002 on the FMCBC e-mail list server.

Also attached is a selection of past articles from the NSNews on this topic.

Yours truly,

Herbert and Patricia Vesely
