Your Worship & Members of Council,

The GVRD may, through the powerful influence of Vancouver, download the cost of Vancouver's Celebration of Light fireworks festival to other municipalities. Vancouver council on Tues Dec 2 decided to defer until Jan 20/2004 any decision about holding next year's fireworks until the GVRD has dealt with this request.

District council should be prepared, through our representative on the GVRD, to advance any objection to such downloading. Particular note should be made of all the profits that accrue to Vancouver when they hold this popular event.

Your truly,

Corrie Kost
