> As I have absolutely no confidence that either Northlands or the Housing Symposium motion will be dealt with by Council (did you notice how agendas are being manipulated) I must insist that they be listed as per policy and in the order in which they were submitted. However, you may wish to suggest to the Mayor and his loyal subjects not to skip meetings when we cannot handle the agendas now.

> Councillor Crist:

> In view of the fact that the Northlands Review Committee report is now available and will be listed on the December 15 agenda, do you wish to reconsider withdrawing your report as it may appear to be redundant now.

> I would also suggest that, due to the number of time-sensitive items on the December 15 agenda, your report entitled "North Shore Housing Symposium" be placed on the next available agenda.
