Thank you Charles - Yes I have, but I don't think our planners at the Hall have. I'll pass this e-mail on to them. Maybe it would pay off to let them see it. Yes Sir, there is a difference between "Pedestrian Town Center" and a "Regional Car Mall".

Hi Ernie:

Seeing you in the pool this a.m. reminded me of a question I wanted to ask you. Have you heard of either Bill McKibbin or the Brazilian city of Curitiba? If not, I'll get the tape to you. This city sounds interesting, particularly in light of your battle with the Lynn Valley pedestrian mall.
