Notice of Motion:

That Mayor Don Bell send a letter of thanks and recognition to Mr. Glenn Foster for his outstanding work in organizing the District Halloween Fireworks Displays.

Rationale:

Glenn Foster is a District Firefighter who on a voluntary basis has devoted a great deal of his time and efforts in the highly successful display of Halloween Fireworks during the last few years. By so doing he has not only shown an outstanding community spirit but also a sense of responsibility for the safety of District residents.

It behooves the Mayor on behalf of District Council and the residents of the District to recognize this achievement and express the gratitude of this community. This should be done either by sending a letter of thanks or by inviting Mr. Foster to a Council meeting where this his efforts are recognized in public or both.
