Dear Denise and Peter Kinvig:

Thank you very much for your letter and the enclosed material on the North Shore Equestrian Center. I personally believe that we are very fortunate in having a facility such as this center. It is one the very things which give the North Shore that unique flavor. It provides opportunities not found everywhere for people who like horses and enjoy that kind of sport. As a Council we do everything possible to maintain this special North Shore environment.

No staff report has as yet come forward regarding the renewal of your lease. However, if and when it does, I will certainly keep the interests of those North Shore residents in mind who like horses and a facility to house them. Needless to say everything will have to go through the appropriate process.

Time permitting I will gladly call on you for a visit.

In the meantime thank you for bringing your thoughts to my attention.

Yours truly,

Ernie Crist
