Ms Hilsen;

On April 27, Council issued a press release concerning "Harassment investigation results in Council - approved motions against North Vancouver District Councillor Ernie Crist".

I contend that this item should have been put on a public agenda as a regular agenda item and/or its release to the public should at least also have been coupled with an opportunity on my part to comment on this matter in public. I, therefore, request that an opportunity to that effect be provided forthwith. I would also appreciate knowing on what legal statute the decision was made to release this In Camera item to the public without an opportunity on my part to respond in public.

Also, since I have not received a copy of the legal opinion provided by the solicitor to Council regarding this matter, I request that I be provided with such a copy. It is unthinkable that Council would act on such an important and costly issue based on a verbal opinion provided by the Solicitor only. Please clarify.

Thank you

Ernie Crist
