Dear Mayor and Council

I've asked our staff to be vigilante on the shopping cart issue. We have assigned staff to monitor and remove carts as required and contact the owners.

Last year we had the issue under control but it seems with the addition of Save-On Foods there needs to be another round of education and enforcement.

Mr Ridge:

You may recall the concerns which have been raised repeatedly in regards to discarded shopping carts in the 2600 block Fromme Rod cul-de-sac.

The issue has not been resolved despite your efforts of good will in requesting cooperation from the owners of the carts it seems. Indeed the problem is getting worse it appears. I wish to reiterate that it is my opinion that this problem will not be resolved unless and until the District demands appropriately high fines. As these carts are a nuisance as well as a potential safety hazard as they are frequently left on the road per se, I am willing to make an appropriate motion to that effect. However, I will wait until I hear from you further on this matter.

Thank you.

Yours truly,

Ernie Crist
