Nathalie -

I am aware that recently there was a staff report to council on the issue of advertising by DNV in the print media. I have an ongoing concern about this issue, and in particular the sporadic delivery of The Outlook in my neighbourhood. Therefore, I and others around me often do not see the District Dialogue. I hear similar reports from different areas of the District. I recently documented a complaint to The Outlook, and had an e-mail response from Denis Back.

Please forward the staff report on this issue to me, if available.

Thank you.
