A MESSAGE FROM ERNIE CRIST - Nobody can stop an idea whose time has come.

Strongly suggested reading: The "Province", Wednesday July 14,2004, page A 16 "MOM, MLA WANT TAX BREAK FOR ACTIVE KIDS".

Quote of the day "Social being determines social consciousness rather than the other way around and sooner or later, our social ideas and values will be brought into harmony with the reality and needs of our socially interconnected and interdependent society".

Ernie Crist
