Notice of Motion - Ernie Crist

Whereas the Edgemont Community Association is a legitimate and bona fide Community Association and provides an important service to the Edgemont neighborhood and the Capilano community at large and

Whereas the people of Edgemont in a manner of speaking are co-owners of the Capilano Library and

Whereas the Edgemont Community Association conducts periodic meetings at this Library and

Whereas the Library is charging fees to the Association which is not conducive to encourage the Association to conduct activities for the benefit of the neighborhood and the community at large

Therefore be it resolved that, this Council urge the North Vancouver District Library Board to rent to the Edgemont Community Association the appropriate space to conduct its meetings at the Library free of charge.
