Dear Mr Bell:

I share your concerns re the uglification of the District via an increasing number of Billboards and road sings.

I have on numerous occasions attempted to address this issue. However, all my efforts have failed. I believe the reasons for this is based on a lack of pride in the appearance of the community and at the same time a fear that such an action might offend certain special interests especially the real estate industry.

A proposed bylaw to that effect has been held op for almost a year.

Yours truly,

Ernie Crist
