NOTICE OF MOTION - Report Councillor Crist.

Whereas at a public meeting on June 8, 1998 Council agreed to the issuance of a license for swimming lesson at a private swimming pool adjacent to the Schwenk property at 5420 Blueberry Lane with the understanding that it would be for a limited period only and

whereas an extension of the license has apparently been issued by staff without any prior Council approval and

whereas this matter was very controversial in the neighborhood including parking issues and

whereas this makes a mockery of the Council decision making process and gives the impression that in the District of North Vancouver Council decisions may be overruled by staff at their whim

Therefore be it resolved that this matter be returned for a Council decision to determine whether to extend the license officially and /or terminate it as the case may be.
