A MESSAGE FROM ERNIE CRIST

Councillor Alan Nixon of the the District of North Vancouver has requested that I remove
him from my mailing list. I would gladly respect Councillor Nixon's request except that
he is not now nor has he ever been on my mailing list. He is, however, through no fault
of mine, a member of the present District Council and if I send something to Mayor and
Council, a copy will automatically go to Councillor Nixon.

THIS IS THE WORD AND IT CANNOT BE CHANGED whether mortals such as myself like or not.

Councillor Nixon, as most of you know was one of the Councillor's carrying the "freedom
of information and open government" flag in censuring Councillor Crist, for divulging
information to the press on Northlands, Canlan and more recently on the "Grant Thornton"
Audit.

Luckily, there is a solution and it will benefit Councillor Nixon greatly. The people who
have designed the computer have designed it in such a manner so that the recipient of a
message may delete it. There is as special button for that purpose. After discussing
this matter with experts this would be my suggestion.
