This note is to ensure that you are all aware of the opportunity to attend a "Futures Conference" on NV Parks & Recreation being held this **Wednesday, March 31st. 6:30-9:30 p.m. at the Mickey McDougall recCentre Activity Room** located at 240 East 23rd. Street ( next to the Court House ).

The flyer I received on behalf of FONVCA invites people to "*an interactive planning session with the top leader in the field, Brian Johnston. The evening will include a presentation on 'trends in parks and recreation' and a discussion on 'strategic directions for parks and recreation services.'*"

This is your opportunity to play a key role in the creation of the 2015 Recreation Master Plan and City and District Parks Master Plans.

To pre-register call 604-987-PLAY (7529), bar code 113768

If you want more info the flyer says to contact Audrey Diamond at 604-983-6306
