A MESSAGE FROM ERNIE CRIST

If you read the message below you will better understand why the Mountain Bikers have been evicted from several Lower Mainland Municipalities including West Vancouver and Delta. Politicians who think they can cash in on this hooliganism to boost their own popularity may be in for a surprise. Could someone tell these people that such methods are a total waste of their time?

Ernie Crist.

When you download the picture it's clear someone has been having fun with Photoshop! (See attachment)

It's actually pretty funny in a sick kind of way.
