Dear Mayor and council,

It just recently come to our attention that there may be a misunderstanding of where we want the bikelanes on Lillooet Rd. This would make a big difference in the cost of this project. We do not need bikelanes on Selkirk. We are just asking for bike lanes on Lillooet Rd, from Purcell Way to the entrance to the cemetery at the corner of Lillooet & Selkirk. This should half the estimated cost if Selkirk Road was included in the estimate.

Sincerely,

John Fair
