Notice of Motion;

Whereas Mr Jeremy Dalton a District resident has requested a copy of a report pertaining to the establishment of a liquor store outlet in Edgemont Village in 2004 and

Whereas this report is a public document made available to both Council and the public at the time when the application for a liquor store outlet in Edgemont Village in the summer of 2004 was made and

Whereas the circumstances surrounding the location of this liquor store have been extremely controversial and

Whereas it is in the public interest to determine the circumstances which led to the establishment of this store when it was opposed by a vast majority of residents while at the same time Council was informed by staff in both 2002 and 2003 that to prevent liquor outlets in Council determined areas would require timely changes in the existing zoning bylaws

Therefore be it resolved that Council instruct the District Clerk to provide Mr. Jeremy Dalton with a copy each of the 2003 and 2004 staff reports pertaining to the establishment of this liquor store outlet in Edgemont Village which was dealt with at a regular meeting of Council in the Summer of 2004.

And further that Mr. Jeremy Dalton be exempted from paying fees for those reports
