> Dear Council and District Staff,

>

> As I am about to board a plane for Ottawa, and as this is my last official day as Mayor, I wanted to say a final goodbye to you in this capacity and to tell you how much I have enjoyed working with you over these last eight years. I will always cherish the memories of my years at the District, of those who served with me, and of the excellent staff that worked for all of us. To those I leave behind as this part of my life comes to a close, I wish the very best of health, happiness, prosperity and long life in the years ahead. I will always be proud of this municipality, and grateful for the opportunity the residents gave me to serve this community in elected office over the last 34 years.

>

> I now look forward to serving you and the other residents of North Vancouver (City and District) in the years ahead as your Member of Parliament. I am ready to meet with District Council or staff at any mutually convenient time to try and explain federal government policies, or to provide assistance in your dealings with the Government of Canada.
