Councillor Crist:

I would note your advice to me this morning, that in spite of your comment at last night's meeting in which you indicated your desire to include a maximum of three motions on each agenda, you now wish to have all four of your motions placed on next week's agenda.

Accordingly, your motion with respect to the Conflict of Interest issue was listed on the agenda.

> Some time ago I submitted a motion pertaining to Councillor Muri's alleged conflict of interest as a result of her allegedly receiving free passes from the Rec Commission. The motion asked for a legal opinion whether she must excuse herself when items pertaining to the Rec Commission are being debated and/or whether she must forego such alleged benefits. The motion was deferred but no additional information was ever provided. In light of this I made yet another motion to this effect.
