Dear Ms Valdes:

You will recall that in your capacity as Councillor's Secretary I requested from you a transcript of the word exchange between myself and Mayor Bell in connection with the Crist versus Shana Burrows incident which took place at the beginning of the regular Council meeting on May 10,2004.

The transcript I requested includes the Mayor's comments that he will not allow me to respond to the statement he read out since the staff person mentioned (Ms Burrows) was present, although this did not prevent him from speaking about it. You are also aware that I left the meeting in protest over the Mayor's refusal not to allow me to respond.

Although I specifically requested that this portion of the Mayor's comments be included, when I finally did receive the transcript it was not included. I cannot understand why I have had to wait a full week to get this one page transcript and when I finally got it, it was incomplete. We are only talking about one sentence which should have been part of the transcript you have now sent to me.

Be that as it may, I would like to have the full text of the Mayor comments.

Thank you for your help.

Ernie Crist, Councillor
