Dear Dr. Kost

Not guilty - whilst I confess that I have made my fair share of mistakes during my days, I have never ever voted to sell District Parkland. I leave such things to the "Super Environmentalist" on Council. Dedicating parkland which, incidentally was at my initiative many years ago is not a crime.

Yours truly,

Ernie Crist

Your Worship & Members of Council,

It is with a touch of irony that I note that council unanimously adopted the dedication of parkland on which earlier this year council voted to sell a part of to a private landowner.

Yours truly,

Corrie Kost
